1.	<p>AAB MALÍČEK, Vladimír Politický islam optikou dezinformácií a propagandy / Political Islam through the lens of disinformation and propaganda / 1st edition. Bratislava: Academy of the Police Force in Bratislava, 2019. - 370 s. - ISBN 978-80-8054-806-3. Sign.: F 19947, [MALÍČEK, Vladimír]</p> <p>The author of the scientific monograph, interprets the main comparative aspects between the political-legal and religious doctrine of Islam, with an emphasis on the normative features of Islam as an ideology, directly affecting the security environment both in Europe and more globally, especially through the geopolitics aspect and widely adored by the mass media misinformation. The author offers an innovative method of interpretation consisting in (among other things) not only presenting his findings through a "traditional interpretation", but also he is putting it in context with the development of Western civilization, which has not been able to respond adequately to new security threats in recent decades. The uniqueness of this output is reinforced by the fact that in Slovakia the regulation of the political part of the doctrine of Islam has not been interpreted in such an extensive and scientific form before.</p> <p>According to the criteria of the Scientific Board of the Academy of the Police Force in Bratislava stipulating the classification of outputs, the work is a scientific monograph of an objective significance for multiple states not only in the same region, therefore, the author allowed himself to classify this output in the A + category.</p>

3.	<p>an ideological, but also a political perspective. He analyzes the concept of jihad primarily from the perspective of how this concept poses a risk of various attacks in ensuring the security of individual societies. Among other things, he critically examines the development of this concept, as well as the historical connotations associated with its spread. The main purpose of the presented scientific study is to analyze the source texts of Islam, primarily in the context of how they legitimize the use of violence through jihad in expansionist efforts to spread Islamic authority, as well as the use of this doctrine in historical practice. The scientific study is part of the national project: Increasing Slovakia's resilience to hybrid threats by strengthening public administration capacities.</p>
4.	<p>O2 MALÍČEK, Vladimír Komparácia politického islamu s európskymi totalitnými ideológiami / Comparison of political Islam with European totalitarian ideologies / aut. Vladimír Malíček.
