1.	<p>P1 LACA, Martin Kriminalistická taktika [print, elektronický dokument] / aut. Martin Laca, rec. Jaroslav Ivor, rec. Marcela Tittlová, rec. Jozef Medelský. - 1. vyd. - Praha : Wolters Kluwer ČR, 2024. - 226 s. - ISBN 978-80-286-0046-4. - ISBN 978-80-286-0047-1. [LACA, Martin (100%)]</p> <p>The textbook <i>Criminalistic Tactics</i> is designed as an essential resource for students of the Academy of the Police Force in Bratislava, law faculties, and professionals working in the field of criminology. The publication focuses on criminalistic-tactical recommendations that are crucial for the effective resolution and clarification of criminal activity, especially in an era when crime is becoming increasingly sophisticated. The content of the textbook provides a systematic overview of the methods and procedures used in modern investigations. It emphasizes the interdisciplinary nature of criminalistic tactics, which incorporates knowledge from law, psychology, criminology, and modern technologies. The textbook offers theoretical foundations and practical guidance for the effective application of tactics, with particular emphasis on the use of specialized interview rooms and innovative technologies in the investigation process. It enables readers to understand the fundamental principles of criminalistic tactics and their application in practice, thereby contributing to the expansion of their professional knowledge and skills. The textbook focuses not only on theoretical knowledge but also on practical experience, including the use of modern technologies in investigations, making it an invaluable tool for professional growth in the fight against crime. According to the criteria of the Scientific Council of the Academy of the Police Force in Bratislava, which determine the segmentation of academic outputs, this textbook is classified as being published by a renowned foreign publisher; therefore, the author has classified this output in category A+.</p>
