Associate Prof. PhDr. JUDr. Mgr. Jozef Medelský, PhD:

Associate professor at the Academy of the Police Force in Bratislava, Slovakia. Actually head of the Public Law Department, lecturing Criminal Law, International Security, International Public Law and International police cooperation. He is an author of various publications in the field of International security and International police cooperation.

As a teacher and researcher, I have been focusing on international public law for a long time, especially on international security. Primarily within international security, I focus on several security sectors:

- Energy and Environmental Security,
- Counter-terrorism (CT),
- Cyber Defence,
- Human and Social Aspects of Security.

Within security, I focus on national as well as international aspects. Furthermore, since I am also a member of the Police Force, I also focus pedagogically and scientifically on the security policy aspects.
